Do visit us at Stand No. **GO16**!

Under the Patronage of **H.H Sheikh Hamdan Bin Rashid Al Maktoum**, Deputy Ruler of Dubai and Minister of Finance of UAE, GOTECH 2018 will be held from **23rd to 25th October 2018**.

This year's theme of the conference is "**Agility from Conventional to Advance Practices (Innovation & Competent Workforce)**", which reflects the continuous changes in the oil and gas market and the need for crafting fit for purpose solutions, using advanced practices, generated in recent years, to stay resilient beyond the current normal margins and volatility.

The Energy market in general, including Oil and Gas Industry, undergoing major transformation and continuous renewal, leading to identification of several opportunities in harmony and deploying such pattern, as innovative approach, and technical solutions for enormous challenges to unlock production potential and reduce risk all at reasonable cost. So our Business will stay Healthy.

The technical papers expectation were set for high quality standard, reflecting the best practice of the recent industry performance. The Show case will represent the latest tools and equipment including new generations of evolved technology from the world class vendors, manufacturers, service companies and contractors. Selected topics from R&D and Operational Excellence were being considered to enrich the future applications in the Exploration and Production activities which you are part of it.
